EDITORIAL PROFILE

Roofing Today has the largest circulation of any UK roofing magazine, with 9,000 printed copies distributed by post and 15,500 digital copies distributed via email.

To maintain Roofing Today's editorial integrity we publish only generic, non-promotional articles. However, we credit articles with by-lines and can include an author picture and authorial or company information, including contact details.

Articles may be technical, opinion or thought-leaders, reports or commentary on current news topics, market analysis, explain best practice, explore research and development or profile a roofing contractor or industry figure.

We will select articles that will appeal to our professional and demanding readers who are roofing and general contractors; architects, surveyors, civil engineers and other specifiers; MCS solar installers; housing associations, developers and builders; roofing merchants, and professionals from the education and public sectors who are involved in roofing.

The editor is pleased to discuss editorial ideas by telephone on 0151 708 0070, or to receive a brief synopsis at editor@roofingtoday.co.uk.

Roofing Today Magazine, 31 Seymour Terrace, Seymour Street, Liverpool L3 5PE
